

An abstract black and white graphic featuring several overlapping geometric shapes. A large black rectangle is positioned in the upper right. Below it, a white trapezoidal shape extends towards the left. On the left side, there is a black trapezoidal shape and a white triangular shape. The bottom of the image is dominated by a large, complex black shape that appears to be a stylized, elongated form, possibly representing a landscape feature or a large object. The overall composition is minimalist and high-contrast.
